Space Stocks Fascinate Wall Street

NEW YORK (AP) — The stock market advanced to another record peak Tuesday in the heaviest trading since November.

A rally by rails and a continued comeback by oils confirmed the peak.

The missile-rocket-electronic issues continued to make strides although some of them fell victim to profit-taking after recent advances.

Zenith added another 13 points, putting the price at 233.

Sperry Rand was the most active stock, up ⅞ to 23⅞ on 68,200 shares. Second was Radio Corp., up 2⅛ at 51⅞ on 60,700 shares. Third was Textron, up 1⅝ at 23⅞ on 55,900 shares.

Gains by oils included Gulf Oil up 3⅞, Standard of California 1¾, Standard of Indiana 2¼, and Texas Co. 3⅛.

Gains in Oils

TORONTO (CP) — Some light profit-taking at the close shaved fractions off a number of industrials but the stock market still scored its best win in more than a month in active trading.

On index, base metals were the leaders, up almost 2¾ points. Western oils were ahead 1½ points while industrials gained nearly one point.

The final volume was 4,617,000 shares, considerably higher than Monday's 4,240,000. It was the heaviest day in a month.

Among industrials, steels, motors and papers had the best gains. Most groups were mixed. Bell Telephone featured the list, dipping ⅞ at 42¾.

Massey-Ferguson was the most active industrial, up ⅛ at 14⅝. The best gains went to Ford A, Montreal Trust and International Petroleum, each up more than 2 points.

Coppers were the big winners in base metals. Senior mines were strong with Noranda and Consolidated Mining each up one point. International Nickel added ⅞ and Labrabor ¾.

Seniors were fractions higher as western oils moved ahead for the second straight session after six days of losses. Home B was the leader, up ¾ at 18½. Bailey-Selburn added 40 cents at $9.40. Petrol, a 45-cent winner Monday, gained 19 cents more Tuesday, at $2.58.

London Stock Prices

LONDON (CP)—The stock market was higher on selective buying.

Gilt-edged securities were in demand and generally better.

In foreign bonds, Greeks advanced while Japanese were firm. There was a general upward adjustment in dollar stocks.

Gains predominated in the industrial market. Oil and gold shares were selectively firm.

Grain Prices

WINNIPEG (CP) — Trade on the Winnipeg Grain Exchange featured broader export interest in flax.

Fair sales were reported to Portugal and France and East Germany also made inquiries about buying. Buying was fairly general.

Some demand was prompted by reports that the American Commodity Credit Corporation would not sell flax at less than the 1958 support price. Hedging sales were quite liberal but prices advanced.

There was some shipping demand for oats and barley with reports that a cargo of Canadian barley had been sold to Nothern Ireland. Prices showed a firm tone.

The rye market was mostly of a commission house nature.

Overnight export loadings of Canadian wheat included: United Kingdom 625,000 bushels, small quantities to West Germany, Belgium and Venezuela.

CHICAGO, March 3 (AP) — Fairly general profit-taking weakened the grain futures market on the board of trade. Wheat showed some resistance in spots but lacked sufficient support to push through a broad recovery.

Wheat rallied in the final few minutes and finished ⅛ cent a bushel lower to ¾ higher, March $2.05 ¼-⅜; corn ⅜-½ lower, March old-type contract $1.16 ⅜; oats unchanged to ⅜ lower, March 64⅞-65; rye ⅝ lower to ¼ higher, March $1.40 ⅛; Soybeans unchanged to 1 cent lower, March $2.21.
